

WEE WONDERLAND 2018

WHAT IS WEE WONDERLAND?

Wee Wonderland is a shopping experience for the students to purchase gifts for their parents, siblings, relatives and even their favourite furry friends. Throughout the year, a group of hard working momma elves shop to get the best deals possible and bring them to you. This tradition began at Woodbridge Farms over 20 years ago! It started in the library but has gotten so big it has moved into the gym.

HOW DOES IS WORK?

Fill out the "Wish List" below and send it back with money to your child's teacher. Classes will get to shop December 17, 18 and 19 with the help of our Elf volunteers. Gifts will be wrapped and sent home at the end of the day. If possible, please send your child with a reusable bag or 2 so they can transport their gifts home.

FEEDBACK?

We currently have our tables organized by price: \$3, \$5, \$7 and \$10. We have gotten some requests to include higher priced items and were thinking of changing tables to \$5, \$10 and \$15. This would increase the quality of the items, make shopping for the mama elves easier and having all items divisible by 5 allows our little shoppers to mix and match from different tables.
